

STEEL BEADLOCK WHEELS

All of our steel beadlock wheels include our lightweight polished aluminum outer ring and grade 8 hardware. All rim shells are spun steel for accuracy. Optional yellow powder coated steel, or full coverage Mudslinger outer rings available. Many center bolt patterns are available, including: Wide 5, 5x4.5, 5x4.75, 5x5, 6 pin, 5x5.5, 6x5.5, and 8x6.5. Add \$5.00 for 6 pin or 8x6.5. All prices include outer ring and bolts.
